

CURE YOUR CareeRiosity

**Time to Level Up: Construct Your First
Game and Discover Careers in Gaming**

Level Two, 54 Cobbold Rd, Felixstowe IP11 7EL

20th of February 2026

Times to be confirmed based on uptake

A hands on 2 hour session hosted by Rubber Ducky Snacks; an Indie game developer from North Norfolk, who specialise in Motion Capture, Game creation, Game Development tools and Game Education.

What to expect:

- You'll learn about designing games and create a paper prototype of your game.
- Then you'll learn about game engines and convert your paper prototype into a playable game.
- Lastly, Test and update your game and play other people's games.
- During this workshop, you'll also learn about careers in the games industry
- You don't need to understand coding or drawing for this workshop
- Equipment is provided

Careeriosity is open to individuals aged 14 to 25 years old
